Golf outing held

Newhope Charities welcomed 28 teams to its 19th annual golf outing on July 21 at the Twin Lakes Golf Club in Mansfield.

The winning team this year, with a score of 14-under-par, was made up of Mark Shulko, Cheryl Tyree, Jeff Palmer, and Brad Palmer.

For the second year in a row, each member of the top team and winners of the longest drive (men and women) and closest to the pin received large medallion trophies designed by six individuals supported by Richland Newhope and made in conjunction with local companies EPIK and PR Machine Works.

Major sponsors for this year's outing were: McGohan Brabender; Modern Woodmen of America; Howard, Wershbaile & Co.; Pediatric Development Center Board; Richland Newhope Industries, Inc.; Blaugrund, Kessler, Myers, and Postalakis; The End Zone Bar and Driver Thru; Advanced Dermatology of North Central Ohio, Inc.; Richland Bank; Charlie and Sue

Gause, in memory of their daughter, Cathy; Rumpke of Northern Ohio; Steve Swank; Blake Anthony; and Avita Health Systems. There were also 24 hole sponsors.

More than 50 area businesses and organizations donated raffle prizes. Many Richland Newhope staff also donated money and items for gift baskets that were included in the raffle. **THANK YOU TO ALL OF OUR SPONSORS AND DONORS!**

Proceeds from the outing go toward supports for individuals served by Newhope and future levy campaigns to ensure continuity and quality of these supports.

Fair time

Are you planning to attend the Richland County Fair next week? If so, stop by the Richland Newhope booth in Fairhaven Hall and say hello. Agency representatives will be there Aug. 7-12.

In addition to some simulated disability activities, we'll have a special display marking the 50th anniversary of the Richland County Board of Developmental Disabilities. It's also a great opportunity to pick up information about Richland Newhope and the services we offer. And there will be plenty of giveaways, too!

Job Seekers Guide

Do you or a family member with a developmental disability need some help looking for a job?

Ohio Employment First has a Job Seekers Guide that offers people with developmental disabilities who would like the opportunity to work in the community the tools they need, like fact sheets and videos on community employment options in the state.
